Financial Reporting Senior

Location: Thames Valley – Maidenhead

Company: Wilson Partners
Leading Accounting, Tax and
Corporate finance business

An opportunity has arisen to join Wilson Partners, an award-winning Accounting, Tax and Corporate Finance firm, recognised in 2023 as 'Outstanding to work for' by Best Companies.

We work with ambitious SMEs, their owners and Private Equity houses combining the financial expertise, experience and accessibility of our talented team to help them achieve their goals. Like our clients, we're ambitious too. We want to be a top 25 accounting firm by 2026 and we will only achieve that by investing in our people and continuing to provide innovative and value added accounting, tax and corporate finance solutions that empower clients to make better decisions.

Who we are:

Wilson Partners was established in 2008 in the heart of Maidenhead, Berkshire, by two brothers, Allan and Chris. From day one there has been a key focus on team culture, driven by the belief that our business is all about the people. Now with offices in Maidenhead, Cambridge, Sevenoaks and South Africa and a team pushing 150 and counting we're here to make a positive impact. Our continued growth journey means we are always on the lookout for great talent.

We're proud to do things a little differently, we're business enthusiasts who just happen to be accountants, we want to challenge and be challenged. We strive for the best and we want our clients and people to see the value in how we operate and that we can make a real difference.

Your new role:

This is an excellent opportunity within an exciting and growing team, where you will be working on a variety of clients requiring technical expertise.

You will be required to work well within a team environment, including liaising with our audit and tax team as well as external auditors on assignments to ensure deadlines and clients' expectations are met.

Your role will consist of assignments with technical accounting requirements for larger entities and ad hoc projects of a complex nature. This will include assisting the wider team with technical queries, with the long-term goal of growing the technical capabilities of the company.
